Debt Financing

GlassRatner Corporate Finance is pleased to have acted as exclusive financial advisor for the owners of ISO-LUX Manufacturing Company Ltd. for the structuring and financing of its debt facilities from a Tier 1 Canadian Bank.

Established in 1975, ISO-LUX is an ISO 9001:2008 certified precision metal fabricator recognized for its comprehensive, vertically integrated production capabilities. Based in Markham, Ontario, the company supports clients across aerospace, electronics, telecommunications, lighting, and display sectors with services ranging from CNC laser cutting,

punching, forming, welding, and machining to in house tooling, hard tooled stampings, powder coating, screen printing, and metal spinning.

With approximately 30 employees and a solutions focused approach, ISO-LUX delivers customized metal products from single prototypes to large volume production, emphasizing quality, reliability, and end to end control over manufacturing and finishing processes.
