Profile overview

For more than 25 years, he has provided consultative and restructuring services to a variety of companies and lenders in Canada, the U.K., Bermuda, and New Zealand, including:

- turnaround consulting
- *Companies' Creditors Arrangement Act* (CCAA) proceedings
- *Bankruptcy & Insolvency Act* (BIA) Proposals
- private and court-appointed receiverships and bankruptcies

Paul's experience includes financial and reorganization advisory services on numerous international assignments in audit, restructuring, and financial consulting roles. His assignments have encompassed a wide range of industries including real estate, automotive, steel, mining, general manufacturing, food processing, retail, warehouse and distribution, and technology.

Additional experience

Paul's notable experience includes:

- successful CCAA restructuring of a 250 store quick-service-restaurant chain in less than three months
- successful stalking horse sale of a gold mine under BIA proposal process
- successful CCAA restructuring and sale of a diamond mine in Nunavut

- refinancing and sale of an auto parts company, comprising six plants in Canada and the U.S., through CCAA and receivership proceedings
- a court-appointed receivership mandate involving possession, control, operation, and sale of a diverse real estate group, comprising 12 legal entities and 24 properties
- acted as financial consultant for a regulator on a series of engagements, including a manufacturing company, a telecommunications company, and real estate developers
